

# Impact of the Age of Exploration Presentation Outline

**Slide One:** A title, your name, and the date. Make sure you clearly state which country you chose.

**Slide Two:** Events that lead to your country's decision to begin exploration. You will want to introduce your country and what life was like leading up to the country's exploration. Include 1 image.

**Slide Three:** Any inventions, technologies, or ideas that the country paid for or used to their benefit. You will want to discuss who invented or funded the technology or who determined the new way of doing something.

**Slide Four:** Explorers and explorations that the country financed on your slide. You should have at least two explorers. Include 1 image.

**Slide Five:** Colonies the country settled. You will want to discuss why the colonies were settled, what the country was trying to achieve with the colony, and what happened to the colony. Include 1 image.

**Slide Six:** Overall impact of their explorations. Think of this section as your conclusion. Discuss or show the important results of your country's explorations. How did they impact the world? How did their explorations help or hurt the country?

**Slide Seven:** Sources. Please include all URL's and/or source titles. Remember, you must source your images as well This is an important part of thinking like a historian.
